

Assembly Instructions

Step 1 - Unpack all furniture pieces, careful as not to damage parts.

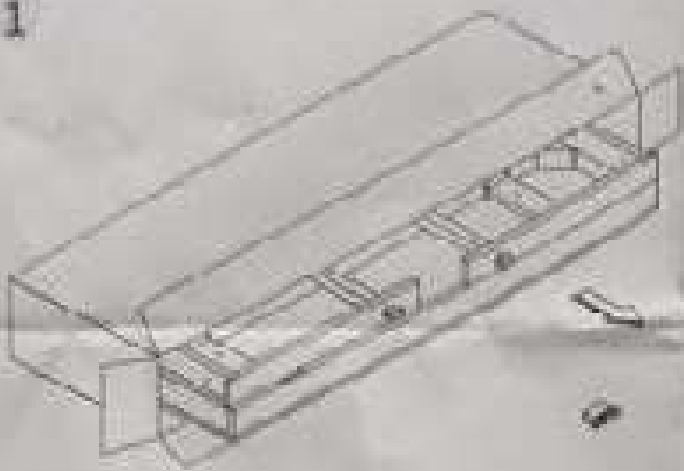

Step 2 –

- Turn table-top upside-down and line up leg screw holes for one leg with the screw holes on the table top.
- Insert the included screws with washers through the leg into the table top. Tighten using included allen key.
- Repeat for second leg.

Step 3 - Turn furniture upright, careful as some pieces are heavy. Ask for assistance if needed.
