Note : Bulb is not included with this item.

Suggestions :

- To prevent the risk of fire, do not use light bulbs with wattage greater than 40W.
- If the external flexible cable or cord of this lamp needs to be changed, it should only be replaced by a qualified electrician.
- This product is knock down so there might be a little variation after assembly in angle. We request you to please check if all the pipes are fixed tightly. Please re-adjust the pipes accordingly to get the product to the required angle.
