# Assembly Preparation

## Before Beginning:

Unpack all hardware bags and components to ensure you have all parts. Take note of bolt hardware size differences and components that may have directional labels (Example: TOP or FRONT).

Depending on your furniture product, foam, packing dust, or residual film or finish may be present on the components. This is normal and can be wiped clean using a non-colored, lint-free dry cloth.

Read the assembly instructions, cover-to-cover. Save any **Care and Maintenance** instructions pages for after the assembly has been completed.

It is always recommended to have 2 adults on hand for assembly.

Do not assemble on hard, abrasive flooring or carpeted surfaces that can damage or get caught in the components during assembly.

Assemble on a clean non-marring surface (such as the product's packing foam).

Do not discard any packaging until the product has been fully assembled.

In case of missing parts, please contact your nearest World Market store or call our customer service call center at 1-877-967-5362.

**WARNING:** Small parts are a choking hazard. Adult supervision is required before, during, and after assembly.

# Assembly Steps

## Step 1

Using a second person to assist, place a Leg (B) right side up onto a padded, non-marring surface. Position a Metal Plate (H-4) with the Leg (B) and align the holes. Secure by first engaging all Allen Bolts (H-1), Spring Washers (H-2) and Flat Washers (H-3), stacking the hardware in the order as shown. Once engaged, fully tighten using the provided Allen Key (T-1). DO NOT OVERTIGHTEN. Repeat the process for the remaining Leg (B).

## Step 2

Using a second person to assist you, carefully place the Tabletop (A) upside down onto a padded, non-marring surface, careful not to put excess weight on the edges. Position each Leg (B) from step 1 onto the bottom of the Tabletop (A) and align the holes. Secure by first engaging all Allen Bolts (H-1), Spring Washers (H-2) and Flat Washers (H-3), stacking the hardware in the order as shown. Once engaged, fully tighten using the provided Allen Key (T-1). DO NOT OVERTIGHTEN. Repeat the process for the remaining Leg (B).

# Assembly Steps

## Step 3

Using a second person to assist you, carefully place the assembly (A) upright, careful not to put excess weight on the edges or Legs (B). Insert Parasol Cap (C) into the umbrella hole when no umbrella is in use. Assembly is now complete and the product is ready for use. Adjustable levelers are located on the bottom of each leg and may be adjusted by turning outwards, counter-clockwise to help account for uneven surfaces. NOTE: Hardware may loosen over time. Periodically check that all connections remain tight and adjust as needed.

# Outdoor Warnings

All products sold at World Market are not for commercial use and are intended for residential use only.

**IMPORTANT: ALWAYS** store furniture or use appropriate furniture covers during cold or inclement weather or during periods of non-use.

**WARNING:** Small parts are a choking hazard. Adult supervision is required before, during and after assembly.

# Outdoor Care & Maintenance

**DO NOT** put hot items directly on furniture surface.

**DO NOT** clean furniture with harsh cleansers or polish.

**DO NOT** place furniture near outdoor exhaust vents.

**DO NOT** write on furniture without a padded barrier to protect the surface.

## For Outdoor Products with Upholstery

Dust and pick up spills using a clean, non-colored, lint-free dry cloth.

Treat any spills or stains immediately. **DO NOT** let it soak into the fabric.

Solid and liquid stains can be spot cleaned using a clean white cotton cloth. We also recommend our Outdoor Cushion Cleaner (sold separately). Scan the QR code to the right of this message.

Dab the stain with light, even pressure. **DO NOT** rub the stain when spot cleaning.

**NOTE:** World Market outdoor cushions provide a firm seat experience on initial use. This is normal and by design—with time and continued use, the cushions will break in and become softer. Always store the cushions when they are not in use.

## For Outdoor Products with Wood

**CAUTION:** As with any wood, the color may fade when left in direct sunlight or inclement weather. Minor cracking may occur with age. These are naturally occurring features of wood and do not affect product performance.
